

# Re-elect Katie Dubarry for Campus Officer

## Accessible Manifesto

If you re-elect me I pledge to:

- ❖ Continue to work to improve the Class Reps system, by providing incentives and making it a rewarding role. I will build on my experience from this year to enable this.
- ❖ Work for provision of a water filling point in the arcade. This would be a more practical and accessible point for many students.
- ❖ Continue to represent Edinburgh students on the SRUCSA Executive
- ❖ Explore the options for SRUCSA control of the Arcade coffee machine. This would allow us to improve the current offering, a major consideration in this would be finding a machine that accepts reusable cups (such as the soon-to-arrive SRUCSA Keep Cup)
- ❖ Liaise with the University of Edinburgh/EUSA to establish how SRUC students could access the Upay Chilli system, used at all UoE food outlets at King's Buildings.
