**ANDREW
ROBINSON
EDINBURGH
CAMPUS OFFICER**

Manifesto

I am a currently Vice President of the Students' Association and will be returning to Edinburgh next year, to complete year 4 of my BSc Agriculture degree. I ran for Vice President as I wanted to change the Student's Association for the better and make a real difference, but I believe there is still much more work to be done and that I still have much to offer.

So, why am I running for Edinburgh Campus Officer?

Because I am passionate about representation and am a firm believer in the power of student organisation. If elected I will strive to effect positive change and passionately represent the interests of all SRUC students studying at Edinburgh, by listening to and acting upon what you have to say.

What will my priorities be, if elected?

I will continue to develop and support the Class Rep system and build on Campus Councils to ensure an effective forum for the collective student voice here at Edinburgh.

I will also set up a campus Events and Campaigns Committee, utilising funding now available from the Students' Association for Campus Councils and Campus Activities, enabling you to decide on the events and campaigns you want to see on your campus.

Thank you for your vote,

Andy
