

RAISE YOUR VOICE. MAKE A CHOICE.

Who am I?

I'm a 2nd year Agric, current campus office and also joint Chairwoman for the Ag Society. I have been actively involve in SRUCSA from my first year starting off as a class rep and organising trips and parties through the Ag Society which lead on to me running for Campus officer last year. It is a job I absolutely love, which is why I would like the opportunity to do it again!

I'm a positive person who is up for any challenge, whether that is standing up for student opportunities, organising trips or a pub crawl!

Please come and ask me if you have any questions!

What do I want to Achieve?

- A good quality student life!
- Ensure students needs are met and addressed regarding there education at SRUC.
- Continue to make sure that the promises made regarding the campus closure are kept.
- Continue to organise trips and parties!
- Raise Awareness for GBV (Gender Based Violence).
- Represent the student voice! I will get straight to the point and raise issues students feel need addressing.
- I want to create more learning opportunities for students from a none Agricultural/ rural back ground.
