

Katie Dubarry

I have been representing the students of SRUC since my first year of study at SRUC Oatridge. I have served as a campus officer in 4 of my 5 years here. I have deep knowledge of the feedback and other systems in place, where they work and where they don't. I have established relationships and knowledge that will let me hit the ground running from the start. I pledge to continue the good work laid down this year on reform of the Students' Association. I believe that with some work we will create an attractive SA with faculty based roles. I am aware that, with no nominations for Student President, the coming year will be full of challenges...and extra admin. But I will do my best to represent you and work on reform. No b***sh** projects, just doing the important things to the best of my ability. I'll need your help in the coming year, you can help by coming along to the next Campus Council on your campus and letting us know what you think about how things are going.

Thank you for your vote,

Katie ♡
