

Hi I am Poppy Gough a NC Agricultural student currently studying at SRUC Barony campus.

I am standing in this year's elections for Women's Officer.

If I am elected I will stand for and promote the following issues

1. Ensuring the women's voice is heard in our male dominated industry's
2. Assisting the college to promote its courses to women
3. Ensuring the male voice is heard in female dominated areas of our industry
4. Zero tolerance of abusive behaviour

I will achieve this by:

1. Providing a safe contact for women students to air any concerns or issues and if they would like to take further be a supporting role.
2. Providing a confidential go-between for the students to air grievances to the college
3. Work with male and female student representatives to ensure fairness for both men and women.
