

SRUCSA ELECTIONS

Co-President (North) Manifesto

Hey! I'm CARA SANGSTER and I'm running for Co-President (North). I am studying Horticulture. I was voted Elmwood's Campus Officer this year and have thoroughly enjoyed my role and would like to progress further.

Our time at SRUC is a big part of our lives and it helps to shape who we are. My focus will be on student welfare and creating a positive experience. I feel it is important that the student's voices are heard and will actively support you.

My Objectives include:

- Ensuring the North faculty is a fun, supportive and friendly environment for all students
- Encouraging students to make the most of their SRUC time and experience by getting involved
 - Supporting clubs and societies
 - Facilitating events that You - the students want
- Maintaining awareness of Environmental issues that affect us and what we can do
