

# VOTE KEVIN HAMILTON FOR SRUC CO-PRESIDENT

## WHY VOTE FOR KEVIN?

Hi my name is Kevin Hamilton and I am running for Co-President at SRUCSA. I am currently a Rural Business Management student, after a year of being class rep I have a keen interest in being the voice for the students of SRUC. I am confident and will be able to deliver what is important to the students. I want to ensure the student experience is fun for all which will be achieved through introducing a variety of events and activities across both Ayrshire and Dumfries Campuses. I will have equal presence at both campuses ensuring the students are supported and are receiving what is required within a timely manner. I have led groups previously within my career journey and I will ensure that every student is included in a fair and just way.

## GOALS FOR THE YEAR:

- ✓ To provide an efficient communications link between students and staff.
- ✓ To organise and create events that promote inclusivity and most importantly, fun!
- ✓ To be the voice for the South and West students of SRUC! Not just as the student body but as the individuals.
